An aerial photograph of a proposed development site. The site is bounded by a dark, irregular line representing the property boundary. Inside the boundary, there is a large, light-colored rectangular area, likely a parking lot or paved area, with a smaller, darker rectangular area within it. To the left of this paved area is a green, irregularly shaped area, possibly a lawn or landscaped area. The surrounding area outside the boundary is a mix of green and brown, indicating existing vegetation and possibly other land uses. A road or path is visible at the bottom of the image.
